I am enclosing _____ drill bits at £7.50 per ten bits plus £2.70 p&p

Payment Method

You can pay by credit/debit card or PayPal online at...

http://www.thechainsawcompany.co.uk/ordering_and_payment.php

If paying by cheque make it payable to R. R. Maynard and enclose it with the chain.

When posting chains, we recommend you use appropriately sturdy packaging. A Jiffy bag is ideal.

Postage Considerations

You may want to send your chains Registered Post for your own peace of mind but bear in mind this will very likely delay the return of your chains since I am only here to sign for post on Fridays and Saturdays.

If putting your own stamps on your package beware of the different rates according to weight. A large letter stamp for instance will be insufficient. My policy is not to pay for excess postage and the Post Office will not return the package to you for 18 days.
